

Review and tailor the contents of this generic risk assessment to meet your school's individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the "What further action is necessary?" column. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.

RISK ASSESSMENT FOR: School activities during COVID 19 outbreak – After July 19th 2021		 Hertfordshire
Establishment: How Wood Primary School & Nursery	Assessment by: Naomi Parkins	Date: 1/9/2021 Reviewed: 1/1/2022 Reviewed: 24/2/2022 Reviewed: 11/3/2022
Risk assessment number/ref: (add your own if so desired): RA-001	Manager Approval: Cynthia Rowe	Date: 1/9/2021 Reviewed: 1/1/2022 Reviewed: 24/2/2022 Reviewed: 11/3/2022

Rev 15: revised to reflect move to Step 4 from July 19th and Schools Operational Guidance [Actions for schools during the coronavirus outbreak - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/guidance/actions-for-schools-during-the-coronavirus-outbreak)

10/8/21 link to Herts Music Service updated, new edition of CIBSE ventilation guidance referenced

31/08/21 self-isolation requirement– updated age of young people exempt from self-isolation if a contact of a positive case to under the age of 18 years and 6 months

02/09/21 link to 'when to contact the LA Covid response team' added (highlighted in yellow)

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>Individual risk factors meaning staff / pupils more vulnerable to COVID-19</p> <p>Clinically extremely vulnerable (CEV) pupils and staff</p> <p>Shielding for CEV individuals paused on 1st April 2021.</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Pupils Those CEV pupils unable to attend school because they are under specialist care and following specific clinical advice (e.g. a letter from their consultant/GP stating they should refrain from attending school) will be provided with remote education.</p> <p>Existing individual health care plans in place for pupils/students to be reviewed.</p> <p>Clear message sent to parents that students should not be sent into school if unwell for both Covid-19 and any other illnesses/symptoms.</p> <p>Staff Individuals classed as clinically extremely vulnerable to have a risk assessment undertaken on their role. School to discuss arrangements / concerns with individuals and provide assurance of controls in place (i.e. hand washing, enhanced cleaning, ventilation, managing confirmed / suspected cases, LFD testing) and through the risk assessment process determine if any additional measures are required.</p> <p>See https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19</p> <p>Protect vulnerable workers - Working safely during the coronavirus (COVID-19) pandemic (hse.gov.uk)</p> <p>Nationally every adult has been offered a first vaccine and the opportunity for two doses by mid-September.</p> <p>Asymptomatic testing (LFD testing) Testing remains voluntary & encouraged where there is an outbreak</p>	<p>NA @ HW</p> <p>In the event of an individual following specific clinical advice (e.g. a letter from their consultant/GP stating they should refrain from attending the workplace) it is strongly recommended that Schools contact their HR Advisor.</p> <p>COVID-19 booster vaccines to the most vulnerable, starting from September 2021</p> <p>Encourage vaccine take up (both doses)</p> <p>All staff encouraged to test daily when in outbreak and their class is affected</p>	<p>SENCO</p> <p>HT</p> <p>SENCO</p>	<p>6/9/2021</p> <p>6/9/2021</p> <p>6/9/2021</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
School occupants coming into contact with those with Coronavirus symptoms	Staff, Students / pupils / wider contacts Spread of COVID 19	School community clear on symptoms of coronavirus: a high temperature, a new continuous cough or a loss of, or change, in their normal sense of taste or smell. Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection followed. These expectations have been communicated to all. Arrangements in place to ensure symptomatic staff / pupils do not return until isolation period has passed or negative test result confirmed. No symptomatic individuals to present on site. In the event of a suspected case whilst working on site Ensure SLT / Head are notified. Individual goes home immediately (if awaiting collection by their parent, isolate child in a room behind a closed door, or an area away from others (2M), open a window for ventilation) and self-isolate.		HT	6/9/2021	
School occupants coming into contact with those with Coronavirus symptoms	Staff, Students / pupils / wider contacts Spread of COVID 19	School staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask, type IIR) if close contact is necessary. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask (type IIR), disposable apron and gloves. Clear message to parents that if a student is unwell at school they are to be sent home or collected immediately. Anyone who has had contact with those with symptoms to wash hands thoroughly. All areas occupied and equipment used by the affected person are to be thoroughly cleaned and disinfected (see PHE cleaning advice https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings) Pupils, staff and other adults should follow public health advice on When to self-isolate and what to do - Coronavirus (COVID-19) - NHS (www.nhs.uk) Testing LFT when advised & on day 5 and everyday thereafter until 2 consecutive negative tests COVID-19: getting tested guidance . Positive case in school setting				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Those affected self-isolate and do not return to school until the end of self-isolation period. See when to contact the LA Covid response team https://thegrid.org.uk/covid-19/key-documents-for-schools COVID.EYSEducation@hertfordshire.gov.uk Asymptomatic testing (LFD testing) Testing remains voluntary but strongly encouraged.</p> <p>Primary age pupils are tested with LFDs</p>				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
			<p>From 16th August 2021 all those under the age of 18 years and 6 months and those adults who have been fully vaccinated will be exempt from self-isolation if a contact of a positive case.</p>			
<p>General Transmission of COVID-19</p>	<p>Staff,</p>	<p>Hand Hygiene Welfare facilities are provided which contain suitable levels of soap and paper towels.</p>	<p>Staff & children reminder to be sent re general hygiene</p>	<p>HT</p>	<p>6/9/21</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Ineffective hygiene protocols	Students / pupils / wider contacts Spread of COVID 19	<p>All persons to wash hands with soap and water regularly and thoroughly, for at least 20 seconds. Hand washing technique to be adopted as directed by NHS guidance posters in place to reinforce this.</p> <p>Alcohol hand sanitiser used in addition where required. Review existing levels / location of hand sanitiser stations. Provided at reception / entrance/exit points; student entrance /reception. Additional hand sanitiser in circulation spaces / classrooms where required.</p> <p>Build use into routines staff and pupil routines e.g. on arrival, when returning from breaks, when changing rooms, before / after eating.</p> <p>Site staff to regularly clean the hand washing facilities and check consumables. Provide suitable and sufficient rubbish bins for hand towels with regular removal and disposal.</p> <p>Ensure adequate supplies of soap, hand sanitiser and paper towels and these should be securely stored.</p> <p>Catch it, kill it, bin it message reinforced. Staff / students to use tissues when coughing or sneezing and then place the used tissue in the bin before washing hands. (lidded bins in classrooms / other locations for disposal of tissues and other waste)</p> <p>All persons are reminded to not touch their eyes, nose or mouth if their hands are not clean.</p>				
General Transmission of COVID-19 Ineffective cleaning High Contact points	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Documented cleaning schedule in place, regular cleaning implemented.</p> <p>Ensure that frequent contact points, e.g. door handles, taps, flush handles, toilet door handles, table / desktops, bannisters, telephones, keyboards etc. are cleaned and disinfected regularly.</p> <p>Cleaning materials (e.g. disinfectant spray / wipes) available to staff. Manufacturer's instructions for dilution, application, PPE and contact times for all detergents and disinfectants to be followed.</p> <p>Only cleaning products supplied by the school / contract cleaners are to be used. School to obtain the risk assessment from contract cleaning staff for assurance on social distancing measures and their schedule / methods for cleaning the school site.</p>				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>In the event of a suspected case / confirmed positive case on site For disinfection (e.g. following a suspected case) use a combined detergent disinfectant solution at a dilution of 1000 parts per million (ppm) available chlorine (av.cl.) or a neutral purpose detergent followed by disinfection (1000 ppm av.cl.). See PHE advice COVID-19: cleaning of non-healthcare settings guidance if an alternative non-chlorine based disinfectant is used ensure that it is effective against enveloped viruses i.e. a product to BS EN14476.</p> <p>When cleaning a contaminated area: Cleaning staff to:</p> <ul style="list-style-type: none"> • Wear disposable gloves and apron • Wear a fluid resistant surgical mask (Type IIR) if splashing likely • Hands should be washed with soap and water for 20 seconds after all PPE has been removed. <p>PPE to be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished.</p> <p>Any cloths and mop heads used must be disposed of as single use items.</p>				
<p>Poorly ventilated spaces</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Occupied rooms to be kept as well ventilated as possible (by opening external windows / doors) or via mechanical ventilation systems.</p> <p>Where mechanical ventilation is present that removes and circulates air to multiple rooms, increase ventilation rate and recirculation should be turned off adjust these to full fresh air where possible.</p> <p>There is no need to adjust systems that serve only individual rooms or portable units as these operate on 100% recirculation. See HSE guidance and CIBSE COVID-19 ventilation guidance (v5 July 21)</p> <p>In cooler weather open windows just enough to provide constant background ventilation, open windows more fully between classes, during breaks etc. to purge the air in the space. Use heating / additional layers of clothing to maintain comfortable temperatures.</p> <p>Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)</p>	<p>Identify any poorly ventilated areas and take steps to improve. A CO₂ monitor can help identify if the space is poorly ventilated (CO₂ levels of between 800-1000ppm are indicative of a well-ventilated room.)</p> <p>Use high level windows where available to minimise drafts.</p> <p>Where lower level windows are being opened out onto play areas then ensure these don't create a risk of pupils running into the edge of an open window.</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
General Transmission of COVID-19	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Meetings Hybrid approach to meetings / parents evenings etc. with use of virtual platforms where appropriate</p> <p>Face coverings Any individuals who continue to choose to wear face coverings should be supported to do so. Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use. See face coverings when to wear one</p> <p>Face coverings should still be worn in enclosed and crowded spaces where you may come into contact with people you don't normally meet. This includes public transport and dedicated transport to school.</p>	<p>School outbreak management plan (attached) to include possibility that it may become necessary to reintroduce 'bubbles' for a temporary period, to reduce mixing between groups</p> <p>In the event of an outbreak the wearing of face coverings may be required to be re-introduced in classrooms / communal areas.</p>			
General Transmission of COVID-19 wider use of school by 3rd parties / beyond school day	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Hiring and lettings risk assessments on use required from provider No set restrictions on indoor / outdoor capacity limits beyond what the school chooses to impose.</p> <p>Supplementary conditions of hire in place for COVID see https://thegrid.org.uk/health-and-safety-offsite-visits-premises/health-and-safety/premises-and-site-related</p> <p>Room layouts and areas able to be accessed agreed with hirer. Time of hire avoids any unnecessary mixing with members of the school community. Welfare facilities and adequate supplies of soap/water, paper towels, hand sanitiser etc. are provided. Consider how well ventilated the hired space is and if this can be improved, for example by opening windows / doors where appropriate. Provide additional signage, if required, for hired spaces to remind users on hand washing etc. All areas used, particularly touch surfaces are cleaned before / after use / before occupation by school.</p> <p>Record should be kept of all visitors / lead booker (maintained for 21 days) to aid track and trace. Or NHS QR code poster and check in function could be used for members of the public when premises are let to external providers. (this is not a legal requirement)</p>	<p>Hiring's / lettings to be reviewed in line with national advice and relaxation of restrictions.</p> <p>See also Sport England FAQs on return of sport</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Schools are not expected to create NHS QR code posters for their normal day to day operations.</p> <p>In the event of a subsequent positive case returned by a hirer / member of a 3rd party group ensure there is a process in place to notify the school.</p> <p>Breakfast and afterschool club – as whole school. When in outbreak, chd kept in bubbles and socially distanced</p> <p>Performances</p> <p>Audiences indoor / outdoor have been permitted since May 17th (see also performing Arts guidance). For all indoor spaces, maximise natural ventilation (through opening windows and doors or using air conditioning systems wherever possible-see ventilation and music).</p>				
Access to & egress from site	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Visitors</p> <p>Ensure all visitors / building users are aware of school's expectations. They must follow social distancing, hand washing / use of sanitiser on entry and adhere to any restrictions on accessing parts of the building stipulated by the school.</p> <p>Volunteers, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk.</p> <p>Signage in reception regarding good hygiene.</p>				
Curriculum activities		<p>PE / school sport</p> <p>No restrictions on how many people can take part in sport indoors / outdoors. No set restrictions on activities – continue to follow relevant National Governing Bodies guidance.</p> <p>Since 12th April indoor competition between different schools has been permissible.</p> <p>See guidance on grassroot sports for public and sport providers, safe provision and facilities, and guidance from Sport England</p> <p>See advice and FAQ's from Association for Physical Education, AfPE have also published a model risk assessment for PE. https://www.afpe.org.uk/physical-education/coronavirus-guidance-support/</p>				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Science / DT For secondary science and DT see also CLEAPPS advice (GL343 & GL 344) for suggested considerations in undertaking practical work. CLEAPSS Home page</p> <p>Music Singing and wind / brass instruments No limits on the number of people who can sing indoors or outdoors. However there is increased risk of aerosol transmission with volume and larger numbers of individuals within a confined space.</p> <p>Where using indoor spaces ensure good ventilation through the use of mechanical systems and/or opening windows and doors. Use larger rooms with high ceilings (school Hall) for larger groups. Encouraging the use of outside space where practical</p> <p>Additional guidance and supplementary risk assessment on music lessons in school has been produced by Herts Music service. https://www.hertsmusicservice.org.uk/schools-area/covid-guidance-for-schools-herts-music-service.aspx</p> <p>Offsite visits Offsite visits (day visits) able to be run since 12th April in line with the Government's roadmap. Domestic residential visits able to take place since 17th May International visits able to commence from start of Autumn term. Off site visits risk assessment to be undertaken and include IPC measures.</p>	Travel list (and broader international travel policy) is subject to change, contingency plans required			
Canteen use / lunchtimes	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Reinforce handwashing prior to eating food. Hand sanitiser should be available at the entrance of any room where people eat and should be used by all persons when entering and leaving the area.</p> <p>Canteen use Food operators continue to follow Food Standard Agency's (FSA) guidance on good hygiene practices in food preparation and their Hazard Analysis and Critical Control Point (HACCP) processes.</p> <p>Payments should be taken by contactless methods wherever possible. (Risks from fingerprint contact payment considered low if handwashing / sanitizing is enforced).</p>				
Contractors	Contractors, Staff,	School and any on site contractors (Catering, cleaning, FM provider etc.) to co-operate and share risk assessments.				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
	Students / pupils / wider contacts, Spread of COVID 19	All contractors will read and comply with signs in reception regarding good hygiene. Staff and contractors are to maintain respectful distance between themselves and others (1M+ where practical). All contractors are to wash their hands or use alcohol-based hand sanitiser upon entering the site. Agree approach to scheduled / ongoing building works. Where works can be conducted outside of the school day they should be. School to seek confirmation of the contractors method statement / risk assessment.				
Provision of first aid	Staff, Students / pupils / wider contacts Spread of COVID 19	Where reasonable physical contact should be kept to a minimum e.g. pupils apply cold pack, wipe, plaster where able to do so. Wash hands before / after treatment. Those administering first aid should wear PPE appropriate to the circumstances. Where the injury was significant and thus required close care for an extended period then it would be reasonable to provide PPE. All PPE should be worn properly, and removed with care. Wash hands immediately and thoroughly before and after removing PPE. See also 'provision of personal care' and 'Suspected case whilst working on site'. First aiders to be aware of advice on CPR from The Resuscitation Council Resuscitation Council UK Statement on COVID-19 in relation to CPR and resuscitation in first aid and community settings Resuscitation Council UK				
Provision of personal care	Staff, Students / pupils / wider contacts Spread of COVID 19	Additional PPE in place if required e.g. for intimate care, to be risk assessed and to be based on nature of task and level of contact (e.g. disposable apron, gloves, fluid resistant surgical mask (type IIR) and if there is a risk of splashing to the eyes e.g. coughing, spitting, vomiting then eye protection (e.g. face shield / visor) should be worn.) Face visors or shields should not be worn as an alternative to face coverings. Ensure any reusable PPE such as face visors are cleaned after use. Where a child falls ill with Coronavirus symptoms whilst on site (new continuous cough, high temperature cough or a loss of, or change, in your normal sense of taste or smell.) then school staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask) if close contact is required.				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask, disposable apron and gloves.</p> <p>All PPE should be worn properly, and removed with care. Wash hands immediately and thoroughly before and after removing PPE.</p>				
Premises safety	<p>Staff, Students / pupils</p> <p>Wider safeguarding / safety risks</p>	<p>Ensure all 'normal' tasks / compliance checks are being carried out/planned such as fire alarm testing, legionella controls, servicing of equipment, PAT testing etc.</p> <p>Ensure all key services are operational</p> <p>Legionella Any new 'seldomly' used water outlets to be flushed weekly. Post any lockdown / in the event of closure of any part of the building i.e. where weekly flushing of outlets has not taken place then chlorination / flushing of whole system should take place.</p> <p>Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)</p>				
Lack of awareness of PHE / school controls	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>All staff consulted on plans and risk assessment. Parents/ carers and pupils informed of measures in place to protect them Posters will be displayed in the reception, welfare areas and in suitable places around site.</p> <p>Clear briefing for all personnel on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance.</p> <p>Volunteers, peripatetic, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk.</p>	Share RA with staff team and governors	HT	6/9/21	
Staffing levels	<p>Staff, Students / pupils</p> <p>Spread of COVID 19</p> <p>Wider safeguarding / safety risks</p>	<p>Dynamic decisions on staffing levels made dependent on numbers / needs of pupils present in school.</p> <p>Reviewed to ensure adequate number of staff in attendance to maintain an appropriate ratio with pupils and ensure key competencies (first aid etc maintained)</p> <p>Options such as supply staff, splitting classes, SLT cover, partial closure may be required in event of staff shortages.</p>	Local operational decisions on partial closure / closure to be made in event of insufficient available staff to supervise pupils. With a move to remote learning in such circumstances for those pupils affected.

Pregnant employees [Coronavirus \(COVID-19\): advice for pregnant employees - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/coronavirus-covid-19-advice-for-pregnant-employees)

Outbreak Management and Supplementary Risk assessment

Introduction

DfE guidance states that schools should have an outbreak management (contingency) plan outlining how to operate if there were an outbreak in your school or local area. See [Actions for schools during the coronavirus outbreak - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/guidance/actions-for-schools-during-the-coronavirus-outbreak)

Given the detrimental impact that restrictions on education can have on children and young people, any further control measures in schools should only ever be considered as a last resort, kept to the minimum number of schools or groups possible, and for the shortest amount of time possible.

This document can be used to guide you in deciding which measures you could re-introduce should you have an outbreak in your setting in addition to your on-going controls already in place as part of your existing COVID risk assessment.

Your outbreak management plan should be specific to your school and outline the measures you would implement based on the principles set out in the [Contingency framework](#), which describes how local outbreaks of Covid19 will be managed.

In the event of an outbreak or if there are concerns about the operational running of the setting or the impact on education and learning as a result of case numbers, a request for support should be requested by emailing COVID.EYSEducation@hertfordshire.gov.uk From the Autumn term the LA will require you to attach a copy of your outbreak management plan.

What is an outbreak?

For most education and childcare settings an outbreak is likely to be identified, whichever one of these thresholds is reached first:

5 children, pupils, students or staff, who are likely to have mixed closely, test positive for COVID-19 within a 10-day period;

Or

10% of children, pupils, students or staff who are likely to have mixed closely test positive for COVID-19 within a 10-day period

Or

For special schools, residential settings, and settings that operate with 20 or fewer children, pupils, students and staff at any one time:

2 children, pupils, students and staff, who are likely to have mixed closely, test positive for COVID-19 within a 10-day period*

**Single confirmed cases in these settings can be actioned as a priority to prevent an outbreak as these settings are considered higher risk.*

Settings may also contact the LA for advice and support if they have concerns about the operational running of the setting or the impact on education and learning or impact on vulnerable pupils as a result of case numbers

NB- The LA will also be monitoring cases in settings through the surveillance data and will contact the setting if information suggests there is an outbreak.

Supplementary Risk assessment - additional controls in the event of an Outbreak

Review your existing risk assessment controls for effectiveness (E.g. hand hygiene, cleaning regimes and ventilation) ensure these are robust, reinforced to staff and students and enhanced if / where required.

Additional control measures

In the event of an outbreak the school's COVID-19 risk assessment will be reviewed and updated. There may be a need to introduce additional measures to mitigate the risk of transmission, examples of these are detailed below and should be introduced as appropriate based on the circumstances of the outbreak. **Any restrictions on attendance would only be considered in extreme circumstances and as a last resort.**

Additional Outbreak controls	Action by who?	Action by when?	Done
<p>Face Coverings Temporary re-introduction of face coverings for the whole school or the class(es) / year(s) affected. Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use. Primary schools re-introduction of face coverings would apply for visitors and staff in corridors and communal areas, including staffrooms (where close contact cannot be avoided).</p>	HT	At point of outbreak	
<p>Enhanced cleaning School's cleaning schedule reviewed and enhanced during the duration of the outbreak. In-particular for rooms used by multiple groups / classes.</p>	HT	At point of outbreak	
<p>Limit the use of some shared areas</p> <ul style="list-style-type: none"> • Designated toilets for year groups – Playtime toilets out of use • Only EYFS to use dining room 	HT	At point of outbreak	
<p>Resources that are shared between different groups/classes such as sports, art, and science equipment, should be cleaned frequently and between use by different classes / groups.</p>	HT	At point of outbreak	
<p>Limiting activities Planned events / activities (e.g. open days, transition, or taster days) reviewed and specific risk assessments conducted to determine if these can proceed in line with an agreed system of additional controls (limitation on numbers attending, wearing of face coverings, one way systems, enhanced cleaning regime etc.) or should be postponed. Consider a move to hybrid or remote delivery. Whole school assemblies postponed during the outbreak and switched to remote delivery. All planned offsite visits reviewed and are to include COVID-19 controls, residential visits in-particular may need to be postponed. Sports fixtures with other schools will be reviewed and potentially postponed.</p>	HT	At point of outbreak	

Additional Outbreak controls	Action by who?	Action by when?	Done
<p>Reduction in interaction / close contact situations</p> <p>Re-introduction of space at the front of the class to enable staff to maintain distance from students.</p> <p>Layouts and capacities for shared spaces such as offices, meeting rooms, staff room etc. will be reviewed to limit numbers.</p> <p>Face to face meetings to be restricted to those which are essential, all such meetings held in larger spaces with good ventilation.</p> <p>Large meetings / all staff briefings will be re-scheduled or undertaken remotely to reduce contact between staff.</p>	HT	At point of outbreak	
<p>Visitors / parental attendance</p> <p>Access to school will be limited, parents/ carers and visitors to attend by appointment only. Wherever possible will take place via telephone or other virtual methods.</p> <p>Any additional controls required of visitors in response to an outbreak will be communicated to them.</p>	HT	At point of outbreak	
<p>Hire / lettings</p> <p>In the event of an outbreak these will be reviewed and potentially postponed.</p> <p>Times of hire should ensure any unnecessary mixing with members of the school community is minimised and access is arranged to avoid such contact.</p> <p>Areas used by hirers to be subject to cleaning before / after use.</p> <p>School equipment should ideally not be used by hirers, if it is it must be thoroughly cleaned after use -or left in 'quarantine' for 72 hours before being used by the school / other users.</p>	HT	At point of outbreak	
<p>Re-introduction of bubbles as below:</p> <p>EYFS</p> <p>Year 1 & Year 2</p> <p>Year 3 & Year 4</p> <p>Year 5 & Year 6</p>	HT	At point of outbreak	

Additional Outbreak controls	Action by who?	Action by when?	Done
<p>Groups to remain clear and consistent and separated from other groups.</p> <p>Limiting interaction between groups by: Staggering breaks and lunch; Minimise rooms / spaces being shared across groups; Cleaning shared spaces between use by different groups e.g. canteen, school library etc. No groups are coming together for assemblies, events / school fairs, school trips etc.</p> <p>The reintroduction of bubbles for a temporary period, may be required to reduce mixing between groups. In line with the DfE guidance any decision to recommend the reintroduction of 'bubbles' would not be taken lightly and would need to take account of the detrimental impact they can have on the delivery of education.</p> <p>Should a move to bubbles be made then enhanced cleaning and/or quarantining of shared equipment would be required alongside the introduction of bubbles.</p>			
<p>Testing Home testing Continue to provide LFD testing kits to staff and encourage 2x week testing.</p>	HT	At point of outbreak	

Restrictions on attendance

Restrictions on attendance would only be considered in extreme circumstances and as a last resort.

Additional measures would be implemented based on advice from the Local Authority, Director of Public Health (DsPH), Public Health England or Central Government.

If advised to limit attendance due to COVID cases the school's remote learning plans will be reintroduced.

Self-isolation

NHS test and Trace will not advise adults who have been double vaccinated or children under 18 identified as close contacts to self-isolate from the 16th August 2021. However the LA may identify close contacts and advise they do not attend the setting in an outbreak situation.

Prioritising certain year groups

DfE has stated in their contingency framework that Early years and primary settings should be prioritised to continue to operate as normal. The DfE may advise that other groups should be prioritised.

Early Years

If attendance restrictions are needed, vulnerable children and children of critical workers should be allowed to attend.

Primary Schools

If some attendance restrictions are needed, all vulnerable children, children of critical workers, children in reception, year 1 and year 2 should still be allowed to attend. If, by exception, attendance is restricted further, vulnerable children and children of critical workers should still be allowed to attend.

Middle Schools

Middle schools (with some primary and secondary year groups) may need to adopt a combined approach depending on the restrictions in primary and secondary schools in the local area.

Secondary schools

If some attendance restrictions are needed, all vulnerable children and young people, children of critical workers, pupils in years 10, 11, 12 and 13, and other pupils who were due to take external exams this academic year should still be allowed to attend. If, by exception, attendance is restricted further, vulnerable children and young people and children of critical workers should still be allowed to attend.

Special schools

If attendance restrictions are needed, DfE's attendance expectations in special schools will remain in line with the equivalent age groups in mainstream schools. DfE's strong preference is that all vulnerable children and young people and children of critical workers are still allowed to attend full-time where the parent or carer wishes for their child to be able to attend.

In exceptional circumstances, special schools and special post-16 institutions may encounter circumstances where they cannot provide their usual interventions and provision at adequate staffing ratios, or with staff with vital specialist training. In these circumstances, they should seek to resume as close as possible to the specified provision for the child or young person as soon as possible. Where attendance is mandatory, full-time provision should be provided.

Alternative provision (AP)

Alternative provision (AP) should continue to allow all children or pupils to attend full-time. On occasion AP will encounter circumstances where they cannot provide their usual interventions and provision at adequate staffing ratios, or with staff with appropriate specialist training. In these circumstances they should seek to resume as close as possible to full-time provision, as soon as possible.

Limits on Attendance

If attendance needs to be restricted further then in all circumstances, priority should continue to be given to vulnerable children and young people and children of critical workers to attend to their normal timetables.

If attendance restrictions are required across an area the Government will publish detailed operational guidance for schools.

Should restrictions on site be needed the school will determine the workforce required on site and if it is appropriate for some staff to work remotely.

School meals

The school will continue to provide meal options for all pupils in school.

Free school meals support in the form of meals or lunch parcels for those eligible for free school meals and
