Head Teacher Mrs C Rowe

9th September 2022

Dear Parents & Carers,

Due to the death of Queen Elizabeth II, I will not be writing my usual newsletter. I would however, like to welcome all our families, old and new, back to school.

In my assembly this morning, the whole school, with the exception of EYFS, came together to remember our Queen. We talked about the sadness of her death but also the wonderful life she had led and the inspirational example she was to us all. The children were encouraged to talk to the adults in school if they had any questions or feelings of sadness and the teachers provided time during the day for their classes to talk about the Queen's death and emotions this may evoke.

Thank you to Ms Taylor Pugh, Mrs Shadbolt, Ms Kemp & Mrs Begum who created this hall display this morning, which will stay in place during the 10-day period of mourning.

I wish you all a peaceful weekend.

Kindest regards,

Mrs Rowe

Our vision is to support our children's continuous learning journey enabling them to thrive and grow within our community.
